

# GIBA Truck Scale Weighing Policy

All Large Trucks, Buses & Construction Equipment must be weighed 24 hours daily, day or night, when they arrive at the Toll Plaza. The Toll Taker is the primary person responsible to weigh the vehicle.

## **During Normal Truck (manned): Mon-Fri 5:45 am to 6:00 pm**

The Toll Taker in the Truck Lane is required to weigh the truck. GIBA Maximum Bridge Weight Limits:

2 axle: Trucks, Buses, RVs Weight Limit= 17 TONS/34,000 pounds MAX

3 axles (or more): Trucks, Buses, RVs, Heavy Equipment, etc: Weight Limit= 20 TONS/40,000 pounds MAX

---

Any Truck, Bus, or construction equipment weighing over GIBA's posted weight limits above, will be turned around and not be allowed to cross the bridge.

ONE EXCEPTION : Florida statutes provide a "fine option" ONLY for 3 or more axle vehicles weighing up to but not more than 41,000 pounds. The overweight vehicle fine for up to 41,000 pounds is \$5.00 per 100 pounds. (In addition to the toll charge of \$4.50 per axle).

---

Vehicles picking up cargo in Boca Grande must weigh going onto the island and coming off the island with their new "on-island" load. (They must turn around to reweigh). 2 axle vehicles weighing in excess of 34,000 pounds coming off the island must pay the overweight fine. 3 (or more) axle vehicles weighing in excess of 40,000 pounds coming off the island must pay the overweight fine.

## **During After Hours (not manned): 6:01 pm to 5:44 am or Weekends**

The toll taker will inform the truck driver that the vehicle will be weighed as soon as possible but must first wait for traffic to clear. Any trucks that are weighed after hours must be recorded in the toll log.

**ANY THREE(or more) AXLE VEHICLE WEIGHING OVER 41,000 POUNDS  
WILL BE TURNED AROUND**
